

Louie's happy home – photos, page TWO!!

Hey Mom...cookie time!! Open the cool carrots now!!!

I comfort Madison, the 22 year old cat, when she needs me to. She sleeps all the time now and I don't mind.

Thor, the cat, likes to cuddle and so do I.

Skyla is a big girl that likes to protect me awake and a sleep as if I am her pup!

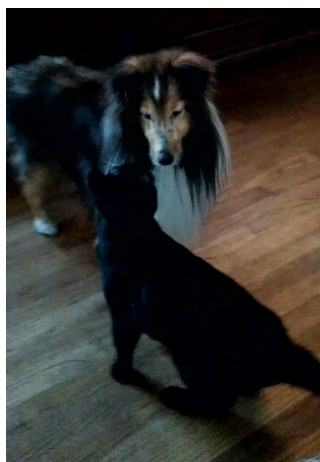

Hey Mom, I got all three of the cats ready for a nap...can have a treat?

My time on Dad's lap with Trouble, the 17 year old black cat! He likes to clean my ears and eyes and I don't mind because he thinks I am his big kitten!

Hey, it's me, Louie...Oh now you want a kiss!

OK, now you want to dance? He is always the curious cat!

Another day and another game of Tug of War with Gabbee! She likes the window seat, but I always win because I am so strong!
